SITA SMME Training 2021/22 (Information sharing)

The State Information Technology Agency SOC Ltd ("SITA") in accordance with its Small Micro and Medium Enterprises' ("SMME") Enterprise and Supplier Development ("ESD") Strategy and Policy aims to advance transformation within the Information Communication Technology("ICT") space in order to stimulate growth, develop local ICT entities and contribute towards skills development. Therefore, SITA is offering SMME training to entities that are at least 51 percent or above black owned which are SMMEs. First preference will be given to Black women owned SMMEs followed by Black Youth owned SMMEs. The training sessions will be held virtually and will include the following courses:

(CCNA: Code 01);

(HCIA: Code 02);

(Cloud Computing: Code 03);

(Intro to Python: Code 04);

(Internet of Things: Code 05); and

(Project Management (Prince 2): Code 06).

Please note that the course and the code of the course should be stated when applying for a training slot. Applicants should state at least four courses that they would like to be trained on, however, it must be noted that due to the limited availability slots, SITA will only accommodate applicants on one of the courses from the elected four.

Requirements for candidates to be eligible for selection for a course:

- Basic computer literacy;

- Basic PC operating system navigation skills;

- Basic Internet usage skills; and/or

- Comptia Networks plus (Applicable only to Cisco CCNA & Huawei HCIA).

How to apply: Submit your brief company profile, CIPC registration, B-BBEE certificate/Sworn Affidavit, CSD Report, SMME Location (Province) and course and code which you are applying for to TrainingSMME@sita.co.za.

NB: Applications must be submitted by **18 February 2022** close of business and applicants should email all the required documents to the above-mentioned email address. Training slots are limited therefore it will be on a first come first served basis.

Please note that your information might be shared with training service providers for training purposes and verification agencies for audit purposes.

If you are successful you will receive a call from the appointed training service provider for the scheduling of your training course.

For any enquiries you may contact: Siphelele Tiyo: (012)482 2473 or Felix Ramosa: (012)482 2871.
