

PRODUCTS

Sub-category	Product Line	Products
Switch & WLAN & Access Router	LAN Switch	LAN Switch S series
	Data Center Switch	Data Center Switch CE series/ XH series
	WLAN	WLAN AC series / AP series / AirEngine series
	Enterprise Routing	AR5000 series/6000 series/8000 series
Network Management System	Network Management System	eSight
	Software Defined Network Controller	Agile Controller-IoT
		Network Cloud Engine(NCE)
	Network Analysis Software	FabricInsight/CampusInsight
Internet of Things	IoT System	AR500 serie/600 series
Gigabit-Capable Passive Optical Network	GPON Optical Line Terminal	Optical Line Terminal MA5800/EA5800
Gigabit-Capable Passive Optical Network	GPON Optical Network Terminal	Optical Network Terminal EG8000/EN8000
		FTTR V163/K153/K562/WA8021V5
	GPON Optical Network Unit	OptiXstar B600/B800/P600/P800/T600/T800/S800/MA5822S-G01; OptiXstar W626E-10/W826E/W826P/W827E;
		OptiXstar T823E/T650E/T602E/MA5621E
Service Provider Router	Service Provider Routing	NetEngine NE40E series /NE8000 series/ A800 series
Optical Transceiver	Optical Transceiver	Optical Transceiver
MicroWave Network	Radio Transmission Networking	RTN series
Network Security	Security	Firewall USG series
		Firehunter series / Antiddos series
		SecoManager / Hisec Insight / HisecEngine Probe/ Qiankun/ SOC/ WAF/ PAM
Optical Transport Network	Optical Switch Node	OSN1800/9800
		OptiXtrans E Series
		OptiXtrans DC Series
		OptiXtrans EF3000 Series
Datacenter Software	Datacenter Software	FusionCompute/eStorage/DME/ eDME/DCS/eDataMate/eContainer

Sub-category	Product Line	Products
	Backup & DR Software	BCManager
Hybrid Cloud	Hybrid Cloud	HCS(Huawei Cloud Stack) including IaaS, PaaS, SaaS
Unified Storage	Unified Storage	Entry level storage: OceanStor Dorado 2000; OceanStor Dorado 3000; OceanStor Dorado 2200; OceanStor Dorado 2100;
		Middle/High level storage: OceanStor Hybrid Series
		OceanStor SNS Switches
		OceanProtect; OceanCyber
Cloud Storage	Cloud Storage	IVS Series
		Pacific; OceanDisk
All Flash Storage	All Flash Storage	OceanStor Dorado Series
HCI	HCI	FusionCube
Video Conference	Video Conference Platform	Video Conference Platform: SMC/CloudLink Edge 1000/RSE8800A/ESE8800/Cloud VDC/VP98 series/CloudMCU
Video Conference	Video Conference Terminals	IdeaPresence
		IdeaHub series
		Cloudlink bar/Cloudlink touch/Cloudlink Box/CloudLink Camera/CloudLink MIC/CloudLink Bar
CCTV	Video Surveillance System	Video Management/Analysis system:U Series iClient S200 HWT-IVS1800、HWT-NVR800、MV3500 Series
		Camera: HWT-X series、HWT-M series、P series
Radio Base Station	Distributed Base Station	DBS3900/DBS5900
Radio Dispatch System	Radio Dispatch & Network Management System	eAPP series
Radio Core Network	Radio Core Network	eCore series
Radio Terminal	Radio Terminals	Universal version: EV751/EP682/EG860/EP822/EC 520/Docking Station
Datecenter Facility	Datacenter Facility System	Modular Datacenter/ FusionModule / FusionDC
	UPS	UPS series / SmartLi
	Cooling	NetCol / FusionCol
	Monitor	NetEco

Sub-category	Product Line	Products
	Oursourcing	Oursourcing
Industry Site Power Facility	Site Power	MTS9000 / TP48 / ETP48/ESM
	Site Power	ICC/PowerCube
	Monitor	NetEco
Outsourcing	Installation material/Power Module/Cables	Outsourcing/Installation material/APM series/Cables
Network Professional Service	Planning and Design Service	Network products including Switch & WLAN & Access Router, Gigabit-Capable Passive Optical Network, Service Provider Router, MicroWave Network, Network Security, Optical Transport Network; Radio Base Station, Radio Dispatch System, Radio Core Network, Site Power;
	Solution Implementation Service	
	SDN Design and Implementation Service	Network Management System including Software Defined Network Controller, Network Analysis Software;
IT infra Professional Service	Design and Implementation Service	Storage including Unified Storage, Cloud Storage, All Flash Storage; Server;
	Migration Service	Storage、Virtualization、Data center consolidation Migration
	DR and backup services	Storage、Virtualization Platform disaster recovery & backup
	Datacenter operation support service	Storage and virtualization platform operation support services, such as architecture evaluation, risk identification, unified storage management, onsite expert support, disaster recovery, and migration services
Cloud Professional Service	Design and Implementation Service	Storage including Unified Storage, Cloud Storage, All Flash Storage; Server; Datacenter Software, Video Conference, Video Surveillance;
	Disaster Recovery and Backup Service	Storage, FusionSphere, HCS(Huawei Cloud Stack)
	Migration Service	Storage, FusionSphere, HCS(Huawei Cloud Stack)

Sub-category	Product Line	Products
Digital Power	Modular DC Solution Implementation Service	Data Center Facility
Training and Certification Service	Training Service	HCIA, HCIP, HCIE, and product based technical training and certification for Network, IT, UC&C, Wireless and Network Energy domain; Digital Transformation related training; Management training;
Technical Support - Hi-care	Technical Support - Hi-care	Technical Support (IT, except server& storage) - Hi-care
	The Hi-Care maintenance service is a maintenance service solution which Huawei not only provides warranty services, but also responds to customer requests for remote troubleshooting, advance hardware replacement and access to software updates and upgrades	Technical Support (UC&C) - Hi-care
		Technical Support (Storage) - Hi-care
		Technical Support (Security) - Hi-care
		Technical Support (Server) - Hi-care
		Technical Support (network) - Hi-care
		Technical Support (network energy/digital power) - Hi-care
Technical Support - Co-care	The Co-Care maintenance service is a maintenance service solution for the service partners. Through this solution, Huawei not only provides warranty services, but also responds to your requests for remote troubleshooting and advance hardware replacement within the defined time frame.	Technical Support (all products) - Co-care Basic
		Technical Support (all products) - Co-care Advanced
		Technical Support (all products) - Co-care Master
Technical Support - Smart NOS	Optimization Service	Network, IT, UC&C, Wireless;
Technical Support - Resident Onsite	Resident Engineer Onsite Support Service	
Cloud Service	Hybrid Cloud Service	HCS(Huawei Cloud Stack) Cloud Service
Site Integration	Site Outsourcing Material	OSP related local material, Site civil related material
	Site Civil Work Integration Service	Site survey and related engineering report and certificate, OSP related service, supply, installation and integration of site civil work

Sub-category	Product Line	Products
Site Power	Site Outsourcing Material	Solar bracket, Solar panels and modules, generators
	Site Energy Saving Integration Service	Site design with drawing, civil work for solar panels and brackets, supply, installation and commissioning of DC breaker, Bosal, Trunking, ATS, ACDB, and generators
		Civil work for solar panels /pcs
DC Facility Integration Service	New DC's Planning, design and implementation	Assembled DC
		New built DC in the origina building
	Data center reconstruction	Reconstruct the functions of the original data center.
	Capacity expansion	Expand the computing power of the original data center.
DC Facility outsourcing	Data center material and equipment procurement	Power distribution cabinet, transformer, chiller, cooling tower, cable, bus, bridge, etc.
